

# HAVE A FAMILY LEGAL PROBLEM?

WE'RE HERE TO HELP.

Legal Aid Alberta

## **ARE YOU DEALING WITH FAMILY BREAKDOWN?**

We help with matters related to parenting, guardianship, child support, property actions, spousal support, and divorce.

## **HAS YOUR CHILD BECOME INVOLVED WITH CHILD AND FAMILY SERVICES?**

We can help with child welfare matters if your child has been taken away and you have been served with a guardianship or supervision application.

## **HAS YOUR CHILD BEEN ABDUCTED BY A PARENT AND TAKEN TO A FOREIGN COUNTRY?**

Yes, we assist with Hague matters. However, clients do not apply directly to LAA. Applications are sent to LAA from Alberta Justice.

## **DOES YOUR CHILD NEED A LAWYER?**

We can help provide your child with a lawyer if the court orders a lawyer be appointed for your child in a high conflict family matter.

## **HOW DO I QUALIFY?**

Apply over the phone at 1.866.845.3425. An intake officer will complete an assessment to determine your eligibility.

Please have ID with you, such as your driver's license. You may also be asked for your most recent paystub, bank statements, or income support statements to help determine your financial eligibility.

## **CAN I CHOOSE MY LAWYER?**

You can ask for a specific lawyer during your assessment and we will consider your request. For more information, visit [www.legalaid.ab.ca](http://www.legalaid.ab.ca)
